MILITARY LODGING AND CAMPGROUNDS

(Data Collected 6 September 2016)

Accommodations owned by the Army, Navy, Air Force, Marine Corps, Coast Guard, and Joint Services will save you a bundle on traveling expenses. Lodges on installations are available, of course; but whether you're traveling for business or pleasure, you also can stay in offsite homey condos, in luxury resorts, at rustic campsites and RV spots and even in a lighthouse! Eligibility requirements vary, but in general, all are available to retired servicemembers, regardless of branch, and their families. Consider taking advantage of these locations --- you EARNED IT!
