Oklahoma Army National Guard Environmental Policy Statement

The Oklahoma Army National Guard is a trained, professional force comprised of citizen Soldiers dedicated to the preservation of freedom and the protection of our State and Nation. It is a dynamic organization that takes great pride in mission accomplishment in all areas, including protecting the environment.

The Oklahoma Army National Guard is committed to the following:

- Support and enhance operational readiness by preserving training lands and resources through education, compliance, and environmental stewardship.
- Work diligently with state, local, and federal agencies, as well as other interested parties to ensure open communication in all aspects of our environmental responsibilities.
- Continually strive to improve processes and procedures in all functions and activities.
- Continually strive to prevent pollution of our air, land, and water.
- Comply with all applicable Federal, State, and local environmental laws and regulations and those other requirements to which we subscribe.
- Consistently monitor progress toward our environmental goals and adherence to the ISO 14001:2004 standards.
- Communicate the Oklahoma Army National Guard Environmental Policy to all members of the organization and to the public at large.

These commitments, and adherence to them thereof, are vital to the Oklahoma Army National Guard readiness and mission accomplishment.
