OKLAHOMA
NATIONAL GUARD

ABOUT US

OUR VISION

The Oklahoma National Guard is a Soldier and Airman focused, values-based organization that inspires and empowers at all levels. We are Oklahomans’ premier choice for military service.

OUR MISSION

Provide Citizen-Soldiers/Airmen and equipment to support domestic and global operations for the people of Oklahoma and the United States.

OUR VALUES

As Oklahoma's foundation is the red dirt beneath our feet, the values guiding Oklahoma National Guard members are **RED DIRT**.

RESILIENCY
We strive to be mentally tough, spiritually fit, financially sound, and physically ready.

EMPOWERMENT
We create an environment that inspires our subordinates to exercise sound judgment and learn from experiences.

DIVERSITY
We ensure all individuals and views are represented, all voices are included, and everyone participates.

DISCIPLINE
We embody professional and personal self-discipline at all times, to maintain a cohesive team.

INTEGRITY
We value honesty, trust, fairness, respect, responsibility, and courage.

REGENERATE THE FORCE
We develop subordinates to replace ourselves through continuous feedback, coaching, and mentoring.

TIME
We understand and support managing a balance between our personal, civilian, and military commitments.

FUNDING

The Oklahoma National Guard (OKNG) received **\$373.4 million** from the federal government in fiscal year 2022 and **\$18.9 million** from the State General Revenue Fund in the state fiscal year 2022.

Federal funds pay for the majority of the OKNG's operations, maintenance, equipment, training, travel, and construction expenses. They include **\$52.1 million** in Federal Cooperative Agreement Funds granted to the state or administered by the state to support cost-share programs.

State General Revenue Funds come from state tax revenues that are annually appropriated to the Oklahoma Military Department (OMD) for the administration of the OKNG and provide the state's required share of the Master Cooperative Agreement. OMD Revolving Funds come from multiple sources to support OMD operations, the 45th Infantry Division Museum, and the OKNG Soldier Relief Program. Federal Cooperative Agreement Funds are federal dollars reimbursed to the state for the federal share of operations executed.

WORKFORCE

Between drill weekends, annual training periods, and deployments, the OKNG is administered, trained, and equipped through the efforts of **approximately 28%** of our force that makes up the full-time staff. They include Military Federal Technicians (Title 32), National Guard Federal Technicians (Title 5), Federal Active Guard Reserve (AGR) military members, state employees, and contractors. They are the core of the force, ensuring our traditional Guardsmen are ready to respond when called.

The vast majority of the Oklahoma National Guard federal employee workforce is dual-status (Title 32). Dual-status employees are required to maintain membership in the OKNG as a condition for employment.

DOMESTIC OPERATIONS

The Oklahoma National Guard (OKNG) serves in a unique civil support role that Active Duty and Reserve typically do not. The OKNG serves the Governor and citizens of Oklahoma when not federally mobilized. Under the direction of the Oklahoma Department of Emergency Management and Homeland Security, the OKNG is a resource for state, local, and tribal agencies responding to natural and man-made disasters. In 2022, nearly 300 Soldiers and Airmen of the OKNG served the state and nation by responding to domestic emergencies, including wildland fire suppression, winter weather rescues, and support to law enforcement agencies.

DOMESTIC OPERATIONS FY2022 RESULTS

The Director of Military Support (DOMS) also provides several specialized capabilities to the state:

NATIONAL GUARD REACTION FORCE

The OKNG maintains a specially trained and equipped National Guard Reaction Force (NGRF) capable of rapid response to provide support to law enforcement or security. The NGRF can deliver an initial force of 125 personnel within eight hours and a follow-on force of up to 500 personnel within 24 hours. This capability fills critical gaps and mitigates the interruption of essential services, threats of public danger and suffering, risks to lives and property, public disorder, or destruction of critical assets.

DEFENSIVE CYBER OPERATION ELEMENT AND MISSION DEFENSE TEAM

The Defensive Cyber Operation Element and Mission Defense Team serve as military first responders to the Governor and The Adjutant General for cyber emergencies to ensure freedom of action in cyberspace. The teams are uniquely trained and equipped to protect state and local partners from cyber threats. The teams provide cyber vulnerability assessments to state or local government agencies to help protect networks and can assist in damage mitigation after a cyberattack.

63RD CIVIL SUPPORT TEAM – WEAPONS OF MASS DESTRUCTION

The 63rd Civil Support Team (CST) serves an integral part of the Homeland Response Enterprise as a first response team to hazardous materials and man-made or natural disasters. Federally funded, resourced, and trained, the CST remains ready to respond to emerging Oklahoma threats and natural disasters.

When activated, the CST deploys within one hour, providing Chemical, Biological, Radiological, and Nuclear (CBRN) detection and identification equipment, a mobile laboratory, technical and emergency decontamination assets, and a mobile operations and communications suite. The CST provides support in identifying agents or substances, assessing current and projected consequences, advising on response measures, and assisting with requests for additional support.

In 2022, the 63rd CST conducted three State Partnership Program (SPP) engagements in Azerbaijan, participated in 12 multi-agency training events, and executed 21 civil support missions. These missions included analyzing several suspicious chemical substances for local law enforcement agencies and active monitoring for CBRN incidents during large-crowd events such as Oklahoma State University and University of Oklahoma football games, the Oklahoma City Marathon, the PGA Championship, and more.

OKLAHOMA NATIONAL GUARD COUNTERDRUG TASK FORCE

Operating under the Governor's Counterdrug Plan, the Oklahoma National Guard Counterdrug Task Force (OKCDTF) mission supports the detection, interdiction, disruption, and curtailment of drug trafficking activities. OKCDTF provides support to federal, state, tribal, and local law enforcement agencies (LEAs) and community-based organizations (CBOs) involved in a multi-front battle against drugs and drug-related crimes.

Federally funded, OKCDTF is a cost-free resource to 22 LEAs. OKCDTF support increases the ability of LEAs to identify and act upon illicit drug activities and networks. In 2022, Oklahoma LEAs prosecuted dozens of illegal marijuana grow sites across the state with OKCDTF support.

OKCDTF also provides training and support to CBOs in preventing and reducing substance abuse in the state. In 2022, Oklahoma Guard members dedicated hundreds of hours at schools and local organizations promoting substance abuse prevention.

OKCDTF ASSISTED LAW ENFORCEMENT IN THE SEIZURE OF

THUNDERBIRD CHALLENGE PROGRAM

The Thunderbird Challenge Program's mission is to take at-risk youth and give them discipline and the tools they need to plot a new course in life. The goal is to return at-risk youths to their homes with high school diplomas, additional high school credits, GEDs, and/or vocations to become successful, productive citizens within their communities. Founded in 1993, the Thunderbird Challenge Program is part of the Department of Defense and National Guard's Youth Challenge Program. It is one of 40 such programs nationwide and one of the original 10 national pilot programs.

PROGRAM EDUCATION

The Thunderbird Challenge Program has developed a partnership with Epic Charter Schools and offers three different education opportunities to cadets. Thunderbird is one of the few challenge programs in the nation that offers this diversity in education opportunities.

HIGH SCHOOL GRADUATION:

The Thunderbird Challenge Program offers the capability for eligible cadets to attain a high school diploma through our partnership with Epic Charter Schools.

GED CERTIFICATE:

This program is available for cadets who are not in a position to receive a high school diploma. Cadets are provided training during the cycle, and the GED exam is administered at the end.

HIGH SCHOOL CREDIT RECOVERY:

High school courses and credits are available through our partnership with Epic Charter Schools. The goal is to return cadets to their local high school on a path to receiving their high school diploma.

45TH INFANTRY DIVISION MUSEUM

Created by Oklahoma State Legislature in 1965 and opened to the public in 1976, the 45th Infantry Division Museum is located at 2145 NE 36th Street in Oklahoma City. It is Oklahoma's only state-operated museum dedicated to military history. The museum is surrounded by a 15-acre military park containing over 50 vehicles, aircraft, and artillery pieces. Our mission is to collect, preserve, and interpret the impact of the Oklahoma National Guard's past, present, and future. Each year, more than 16,000 local, national, and international visitors tour the museum, providing an opportunity for education about the important history of the military in Oklahoma and emphasizing the role of the Oklahoma National Guard.

EXHIBITIONS AND COLLECTIONS

The museum staff continues researching and developing exhibitions for the new Oklahoma National Guard Museum, planned for 2023. The museum cares for an extensive collection of two and three-dimensional objects. A new cataloging software initiated this year, now enables the public to search the collection online. A significant emphasis is placed on our photograph collection, including the digitization of World War II and Korean War negatives.
