INDIVIDUAL STUDENT ASSESSMENT PLAN (ISAP)
ARNG Officer Candidate School

2. Requirements. The ISAP will be presented to students as part of initial counseling/inprocessing. TRADOC 350-70 and TRADOC PAM 350-70-5 requires the ISAP be provided in writing and explains evaluation methods, counseling, exams, retesting policy, nonacademic assessment requirements and graduation requirements. The ISAP will be posted in common areas for the students to review.

3. Individual Student Assessment Plan (ISAP) Per TR 350-18

The ISAP details how the proponent school determines if a student has demonstrated a sufficient level of competency to pass the course or training. It specifically identifies course completion requirements to include the minimum passing score (go/no go) for each written or performance examination, final grade requirements, minimum course attendance requirements (if applicable) and specific assessments that must be satisfactorily completed to graduate. It specifically identifies how the student's performance must be assessed. Specific lessons assessed in each assessment are identified. Counseling and reassessment policy are delineated. Other evaluations that affect graduation such as the Army weight control program and Army physical fitness tests are identified and their requirements included.

4. You will be administered three (3) written exams during Phase I, Leadership, Justice, Army Training Management and a Land Navigation Practical night in to day. You will be administered four (4) written exams during Phase II, Military History, Supply, Tactics and Operations, and Call for Fire. Phase III you will be evaluated on the Troop Leading Procedures while conducting a squad lane.

   a. Each written exam is given equal weight (weighted the same—100 points).

   b. Exams are closed book; you cannot use notes or references when taking the exams.

   c. Exams consist of questions and scenarios for which you are expected to select the best possible response of the alternatives you are provided. In order to receive a passing score, you must answer the required percentage of the questions correctly.

   d. Students failing any exam will be counseled in writing on DA Form 4856, will receive remedial training and be retested. Candidates must pass all written examinations or retests with the score required on the lesson plan or higher depending on the exam requirement. Only one retest
will be given per exam. A second retest is given only under exceptional circumstances and must be recommended by the company commander and approved by the battalion commander. The OC who passes the retest is awarded the minimum passing score per the lesson plan regardless of actual score they receive; both scores are annotated on the End of Course Summary.

e. Candidates cannot fail more than three written exams. Failing three (3) written exams in phase I and phase II combined, will result in the candidate being put on academic probation. A fourth failure will result in a recommendation to the battalion commander for possible dismissal from the course. The candidate must be counseled on a DA Form 4856 of the consequences of the academic probation. See flow chart included with this ISAP.

f. If you feel your exam was graded incorrectly or a question on the exam had an error in it you may bring it to your instructor’s attention during the exam review. Your instructor will review your concern with the senior instructor and/or the test control officer. Once your concern is assessed your instructor will inform you of the action that will be taken, such as regrading your exam, or submitting the error through the OCS Subject Matter Expert (SME) to Fort Benning.

5. Leadership Position Evaluations. Each student will receive and complete a minimum of one leadership position evaluation during Phase I and 2 during Phase II. Phase III candidate’s will receive an evaluation during the LRC and FLX II operations. Leadership evaluation and counseling in OCS measures observed performance, not potential. Assessment is purposely subjective using Actions, Skills and Attributes from ADP 6-22 / ADRP 6-22 and an E-S-N scale (Excellent, Satisfactory or Needs improvement)

6. If you miss or cannot actively participate in 12 or more hours of scheduled training you may be recommended for recycle. Only the battalion commander can make exceptions to this policy.

7. **Phase I.** The following training events and exams must be successfully completed prior to the end of Phase I to be a graduate of this phase.

9. **Phase III.** The following training events must be successfully completed prior to the end of Phase III to be a graduate of this phase and the OCS course.
a. Obstacle Course. You must attempt each obstacle in order to graduate. The company
commander may close some obstacles based on climatic or safety conditions. Failure to attempt
each obstacle will result in recycle or elimination from the course.

b. Leadership Reaction Course (LRC). You must participate as a squad member and as a squad
leader at LRC training. You will receive an evaluation on the Leadership Reaction Course Report
(LRCR).

c. Field Leadership Exercise (FLX II). You will be evaluated during FLX II. You must receive
an “E” or an “S” on a Field Leadership Evaluation Report (FLER) in order to graduate Phase III.

d. POI Training. You must attend all Phase III POI training.

e. Must be recommended by the OCS Company Commander (by signature on End of Course
Summary Sheet Phase III) as possessing the leadership skills, attitudes and knowledge required of a
newly commissioned second lieutenant prior to graduating Phase III and OCS.

10. Academic Evaluation Report (AER). The ARNG End of Course Summary is used to track the
completion of all test scores and training events in all phases of OCS.

11. Honor code violations. A candidate will not lie, cheat, steal, nor tolerate those who do. A
violation of this code may result in a recommendation for dismissal. See ARNG OCSOP for
detailed information concerning the honor code.

12. Determining Class Honors/Awards. Any system that awards honors must be devoid of any
impropriety or any appearance of impropriety. To avoid this, the ARNG OCS program uses an
objective system to determine each state OCS Honor graduate and the next two candidates that will
graduate with honors. While the leadership evaluations are subjective and comprise a portion of an
OCs score, collectively they are numbered evaluations, and when considered together create an
objective opinion of that officer candidates leadership abilities as compared to his or her peers.
There are three different Honor Awards given individually: the Distinguished Honor Graduate (who
is the Erickson Trophy recipient), the second Honor Graduate, and the third Honor Graduate. There
are three other awards given, the Academic Award, the Physical Fitness Award, and the Leadership
Award.

13. Components of the Honor Awards System. Officer candidates receive honor awards based on
their performance in four major areas of the course: Academics, APFT #2, leadership evaluations,
and peer evaluations. Any candidate that failed any of the three major areas and had to retest,
excluding leadership evaluations, will not be in the running for an honor award. A ‘not satisfactory’
on a leadership evaluation does not disqualify a candidate from being considered for honor awards.

14. Each college or university makes the decision about assigning and accepting credits for Officer
Candidate School (OCS). The American Council of Education in Washington D.C. evaluated the
curriculum for OCS. The council's credit recommendations are in "A Guide to the Evaluation of
Education Experiences in the Armed Forces."
15. Dismissal and Recycle from the OCS Course.

   a. Non-academic. See attached diagram for Non-academic dismissal and recycle. This includes motivational and disciplinary dismissal from the current phase of training and /or the OCS Course.

   b. Academic dismissal. See attached diagram for academic dismissal and recycle. Academic dismissal and recycle are conducted when a candidate fails an exam and retest with a score below 70% or after the 4th test failure.

   c. Appeal process. See attached diagram for appeals. Appeals will be submitted to the school commandant or commander who will refer the proposed action and the appeal to the OSJA to determine legal sufficiency of the dismissal decision.

       1. Students who elect to appeal will remain actively enrolled in the course pending disposition of their appeals.

       2. All appeals must clearly provide new evidence not previously considered by the Approving Authority.

16. Any questions regarding this Individual Student Assessment Plan should be addressed through the chain of command.
