Chapter 1 General

1-1. Purpose. This regulation establishes policy, procedure, and eligibility requirements for administration of the Oklahoma National Guard State Tuition Waiver Program and awarding a tuition waiver to members of the Oklahoma Army and Air National Guard.

1-2. Entitlement. The National Guard State Tuition Waiver Program (STW) entitles eligible members of the Oklahoma Army and Air National Guard (see paragraph 2-1) who are attending two or four year accredited institutions of higher learning within the State of Oklahoma (see Appendix B) to the following benefit. This benefit will waive the resident tuition of satisfactory participating Oklahoma National Guard members who are Oklahoma residents. The resident tuition waiver can waive up to eighteen (18) credit hours per semester per institution. The recipient must be pursuing an associate's or bachelor's degree and be enrolled in a minimum of three (3) hours to receive the waiver. The STW can only be used to obtain up to a bachelor's degree and can not be used by members who have previously been awarded a bachelor's degree. Soldiers who are considered out-of-state residents can use the Oklahoma National Guard State Tuition Waiver to waive the non-resident fees. The Soldier will still be responsible for the remaining cost of resident tuition.

1-3. Policy. In an effort to improve the quality and readiness of the members of the Oklahoma National Guard and to enhance recruiting and retention, the STW is authorized as a benefit for members of the Oklahoma National Guard and is awarded based on eligibility criteria detailed in this regulation and by the Oklahoma State Regents for Higher Education (OSRHE).

1-4. Responsibilities.

- a. The Oklahoma State Board of Regents for Higher Education (OSRHE) is responsible for:
 - (1) Approving new policy changes or modifications.
 - (2) Administering receipt and disbursement of funds to the institutions and maintaining fiscal records of the STW.
- b. The Institution for Higher Education is responsible for:
 - (3) Assigning a liaison that will serve as the Institution's Tuition Waiver Representative.
 - (4) The Institution's Tuition Waiver Representative will serve as the liaison between the respective institution for higher education, the Oklahoma National Guard Education Services Office (ESO) and the OSRHE.
 - (5) Providing to the ESO the corrected list of the exact hours waived at the conclusion of each semester.
 - (6) Reporting all hours and dollars waived at the end of each academic year to the OSRHE.
 - (7) If determined by institution recoupment procedures can be initiated for recipients who drop courses after the 100% reimbursement period.
 - (8) Verifying GPA's lower than 2.0 and sending notification to the Education Service Office.
- c. The Adjutant General (TAG) will:
 - (9) Approve policies for the STW.
 - (10) Be the final authority in determining eligibility criteria for members of the Oklahoma Army and Air National Guard.
- d. The Education Services Office (OKJ1-ESO), Army will:
 - (11) Establish policies, administer and implement the STW.
 - (12) Monitor the eligibility status of participating members of the Oklahoma Army National Guard.
 - (13) Coordinate policy changes with the OSRHE.
 - (14) Be the point-of-contact for verification, problems and discrepancies for the institution and the units.

- (15) Maintain records/database and administer the day-to-day operation of the STW.
- (16)
- (17)
- e. The Air National Guard Retention Officer/NCO at both Will Rogers and Tulsa will:
 - (18) Work directly with the Army ESO in executing and administering the STW for the Air National Guard.
 - (19) Monitor the eligibility status of participating members of the Oklahoma Air National Guard.
 - (20) Maintain records/database and administer the day-to-day operation of the STW for the Air National Guard.
 - (21) Be authorized to communicate and act directly with post secondary educational institutions and vocational/technology centers on all matters regarding reconciliation of OKANG service member's tuition.
- f. The Oklahoma National Guard Unit/Wing Commander or Designated Representative will:
 - (22) Keep members of their command informed of the STW; how to apply, application deadlines and eligibility criteria.
 - (23) Monitor the National Guard members' eligibility. The only eligibility criteria for the STW, which is directed by the TAG is as follows: A National Guard member who has 9 AWOLS within the previous twelve months does not qualify for the TWP.
 - (24) Notify the ESO via e-mail at ngokeducation_incentives@ng.army.mil of any change in a recipient's status affecting the STW (i.e. discharge, AWOL, ETS).
 - (25) Ensure deadline dates for submitting applications are met by the unit/battery/wing commanders.
- g. Recipients will:
 - (26) Meet the criteria contained in paragraph 2-1 and request application through their unit before the deadline date each semester.
 - (27) Maintain eligibility criteria established by the institution and the Oklahoma National Guard and otherwise successfully complete the semester and all hours for which tuition waiver is awarded.
 - (28) **Notify the ESO immediately if a class/course(s) is/are dropped.** If the class is dropped subsequent to the 100% reimbursable drop/add period, the waiver may not be honored and the recipient will be responsible for paying for the dropped class/course(s) to the institution. The recipient may request an exception to policy (ETP) through their unit of assignment to the ESO if they feel they have extenuating circumstances which were beyond their control for dropping the course(s). The ESO will make the final decision whether the tuition waiver will be honored for the dropped course(s) or the member will have to pay for the class/course(s) themselves. The exception to policy must be requested before the end of the semester in which the class/course(s) were dropped.
 - (29) Will maintain a cumulative GPA of a 2.0 or above. If the Soldier fails to keep a Cumulative GPA of a 2.0 or higher, he/she will be ineligible for STW until the GPA on record with the institute for higher education is 2.0 or above.

1-5. Service Commitment.

- a. Recipients must have sufficient service time remaining before their current service obligation/Expiration Term of Service (ETS).
- b. Recipients must extend for at least as many months or days necessary to complete the end of a semester. For example: a member receiving a Tuition Waiver for the Fall 2005 semester which ends December 18, 2005 and has an ETS of November 11, 2005, may do a 1 month 8 day extension in order to remain a member of the National Guard through the end of the semester and receive the tuition waiver. (IAW AR 600-200, Rule F-4, Table 7-1)

Spring Semester	January 31st
May/Summer Intersession	May 15th
Summer Semester:	June 15th
August/Spring Intersession	August 15th

Note: Applications requested from the unit after the above dates may not be awarded and therefore the tuition waiver would not be granted by the institution. The Soldier/Airmen would be responsible for paying for the tuition. Exception to policy can be requested through the ESO in writing.

- c. Authorized Uses:
 - (59) The waiver will be awarded to a National Guard member in programs leading to an associate or baccalaureate degree. Waivers will not be awarded for programs leading to a certificate, continuing education courses, or vo-tech courses, which are not counted towards a degree program at another institution.
 - (60) The waiver will cover resident tuition for all courses. The recipient is responsible for all other fees: special course fees, student activity fees, facility fees, assessment fees, textbooks and room and board, etc.
 - (61) Concurrently enrolled high school/college National Guard members are not eligible for the tuition waiver. The recipient must have a high school diploma or GED to qualify for the Tuition Waiver Program.

- (62) The tuition waiver is not applicable to professional programs, which do not require an earned degree.
- (63) A recipient may not receive a waiver for courses completed in a prior semester; that is, a Guard member must apply for the waiver by the published deadline dates, listed in Paragraph 2-5 above, for each semester in which he/she is enrolled. Exceptions to Policy granted IAW para 2-4 of this Regulation can be considered on a case-by-case basis.
- d. Continuation of Eligibility: A recipient who receives notification for mobilization or deployment during a semester wherein he/she has received the tuition waiver **will be required to notify the school**, via copy of official orders of the mobilization / deployment and properly and fully withdraw from school. If this is done, the Guard member's Tuition Waiver will be honored by the school.
- e. Recoupment:
- (64) Recoupment of an honored Tuition Waiver is required from the National Guard member in the following instances:
- (a) Fraud or misrepresentation of the application.
 - (b) Failure on the part of the recipient to complete the semester for which the benefit was awarded, except for reasons approved by the ESO which were beyond the control of the recipient.
 - (c) Failure to remain a satisfactory participant in active drilling status for the entire semester in which the Tuition Waiver was received.
 - (d) Recoupment will not be required in any case where a determination is made by the Education Services Office with approval from The Adjutant General that there was good cause for a recipient's failure to complete the semester for which the Tuition Waiver was received.
- (65) Recoupment will be collected by the respective institution in which the Tuition Waiver was awarded, not by the National Guard ESO.
- (66) Recoupment Procedure. Each institution will define their own recoupment procedure and will be responsible for collecting the debt directly from the recipient.
- f. Termination of Benefits:
- (67) If the recipient is dismissed from any school for academic or disciplinary reasons, he/she will be ineligible for any future Tuition Waivers and will be subject to recoupment for the semester he/she was dismissed.
- (68) If the recipient's service in the Oklahoma National Guard is terminated, or becomes unsatisfactory, he/she will be ineligible for further Tuition Waivers and subject to recoupment for the semester in which he/she became ineligible.

2-3. Grievances. In the event a National Guard member is denied STW benefits, has benefits terminated, or is ordered to repay benefits pursuant to the provisions of this regulation, member may appeal any such action to the Education Services Office, in writing, within 60 days from the date of termination/recoupment or denial. The decision of the Education Services Office through The Adjutant General on any such appeal is final.

2-4. Exception to Policy (ETP). Exceptions to Policy may be requested by Oklahoma National Guardsman, in writing, through their unit of assignment to the OKJ1-ESO in mail or e-mail to ngokeducation_incentives@ng.army.mil. The decision of the Education Services Office through The Adjutant General on any such appeal is final. In order for the ETP to be considered they must include, at a minimum, the following information;

- a. Name and social security number of Soldier/Airmen.
- b. Institution of higher education name and location.
- c. Semester year/month in question.
- d. Reason for request that indicates that the situation was not due to the negligence or fault of the service member and was not within the service member's reasonable control.

2-5. Duplicate Sources of Funding. Recipients may use other funding sources in addition to the Tuition Waiver Program [i.e. Pell Grants, Montgomery GI Bill (MGIB), Federal Tuition Assistance (FTA), etc. to pursue their college work to include the following combinations:

- a. STW and the MGIB (all Chapters) and the Kicker may be used simultaneously for the same semester.
- b. STW and FTA programs can be used simultaneously for the same semester. FTA will be used to cover authorized **fees only** when the Tuition Waiver is awarded. FTA can be used to pay for any semester hours that are under the three (3) credit hour limit or over the eighteen (18) credit hour maximum of the STW Program. (NOTE: FTA is a Federal program separate from the STW and is based on a limited budget per fiscal year, which is awarded on a first-come-first-served basis. Only Army National Guard Members qualify for this benefit and they must apply separately for the benefit. (For application instructions contact the Army Education Services Office.)

Chapter 2

Tuition Waiver for Career and Technology Centers

3-1. Administration. The Tuition Waiver Program is a benefit to the Oklahoma National Guard by the Oklahoma State Regents for Higher Education; this board does not govern the career and technology centers; therefore, the program was not designed to waive career and technology center programs. There are some career and technology centers that choose to grant a Tuition Waiver to Oklahoma National Guard Members for some of their full time programs. In these cases the Waiver will be administered as follows:

3-2. Eligibility Criteria.

(1) a. OKARNG Soldiers. This program is open to all OKARNG enlisted and officer personnel. Soldiers become eligible upon date of enlistment and are required to maintain eligibility as an active member at the time of the application and during the completion of the semester in which the tuition waiver is received. Soldiers with (9) or more AWOLs/UNSAT's in the previous (12) months are ineligible to receive the waiver.

(2) b. OKANG Airmen. This program is open to all OKANG enlisted and officer personnel. Airmen become eligible upon date of enlistment and are required to maintain eligibility as an active member at the time of the application and during the completion of the semester in which the tuition waiver is received. Airmen with (9) or more AWOLs/UNSAT's in the previous (12) months are ineligible to receive the waiver.

3-3. Authorized Uses/Enrollment Requirements. The career/technology center will determine on a case by case basis what programs, courses, seminars or training qualify for the tuition waiver. This may vary each year and from member to member. Previously only full-time courses have been considered for the waiver. The career/technology center will make the final determination regarding whether or not they will award a tuition waiver.

3-4. Application Process.

a. National Guard members can request a OKARNG/ANG Form 215-E (see Appendix 3-1) from their unit for the full-time career or vo-tech training prior to the first day of training.

(3) b. Unit will ensure member meets all eligibility criteria, issue and sign the Form 215-E and immediately send form to ESO via FAX (405-606-7219) or e-mail (ngokeducation_incentives@ng.army.mil) for approval of the training.

(4) c. ESO will contact the career/technology center to obtain approval for the waiver.

(5) d. Waivers will not be taken to the career/technology center by the National Guard member **until approval has been granted by the ESO**. This ensures the desired program waiver can be granted by the respective Career/Technology Center.

(6) e. ESO or State Tuition Waiver Manager will track the granted waivers on a database.

3-5. Recoupment. If the National Guard member fails to successfully complete the waived training the member could be subject to 100% recoupment by the career/technology center of the waived amount.

Oklahoma Army/Air National Guard State Tuition Waiver Statement of Understanding

State Tuition Wavier Program Statement of Understanding

1. Unit Commanders and Administrative NCOs

a. Application Process:

Soldiers who want to participate must make a request, each semester, through their Unit Administrator. The Unit Administrator will verify that the Soldier is a satisfactory participant. **SATISFACTORY PARTICIPANT IS A SOLDIER WHO HAS NOT RECEIVED 9 AWOLS IN THE PREVIOUS 12 MONTHS.** This is the only guideline for Satisfactory Participant for the Tuition Waiver Program.

The administrator will go to the Oklahoma Joint Force Headquarters home page; J-1/ Education/ Education/Incentives links/ State Tuition Waiver Application. Enter in the Soldier SSN; choose what school the Soldier is going to; what semester and how many hours are being waived. Once all information has been reviewed for accuracy, then unit administrator will click submit and the waiver will be submitted to the Education Services Office and from their will be sent to the respective school.

b. Deadlines to Request for the Waiver:

The Unit Administrator should input all Tuition Wavier Requests by the below deadline dates.

December / Winter Intersession	January	15th
Spring Semester	January	31st
May / Summer Intersession	May	15th
Summer Semester	June	15th
August / Fall Intersession	August	15th
Fall Semester	August	31st

Any Soldier making request for a Waiver, or any unit administrator trying to input a Waiver after the above dates will NOT be allowed to do so and Soldier WILL NOT BE granted the wavier for that semester without Exception to Policy (ETP) approved by the Education Services Office.

2. Eligibility:

a. Who/ When:

This program is open to all enlisted and officer personnel of the Oklahoma Army and Air National Guard. Soldiers become eligible upon the date of enlistment and maintain eligibility as long as they are active members at the time of the application and through the completion of the semester in which the tuition wavier is received.

b. AWOLS/UNSAT:

Soldiers who have not received 9 or more AWOLS/UNSAT's in the previous 12 months from the date of application for the waiver are eligible to receive the Tuition Waiver.

c. Authorization of Use:

Soldiers must be accepted and enroll in an undergraduate program of study, at an accredited school within the State of Oklahoma. The member must be pursuing an Associate or Bachelor's degree only, and can not have previously been awarded a Bachelor's Degree. This program is not used to obtain a certificate of training or to be used at a vocational/career center.

3. Recoupment / Denial for Waiver

a. Drop / Add dates:

All hours from which the recipient withdraws subsequent to the 100% reimbursable drop/add period MAY BE recouped by the institution directly from the Soldier. It is the Soldier's responsibility to notify the ESO immediately if a class/course(s) is dropped and why. If the class is dropped past the drop/add date the waiver may not be honored and the Soldier may be responsible for paying for the drop/add class/course directly to the institution.

b. Discharged/ETS:

The Unit Administrator should notify the ESO, in writing, of any changes in a recipient's status affecting the State Tuition Waiver Program (i.e. discharge, AWOL, ETS). The recipients must have sufficient service time remaining before their current service obligation/Expiration Term of Service (ETS) to complete the semester. Recipients are required to extend for as many days or months necessary to complete the end of a semester and MUST do so in order for the Waiver to be honored. (AR 600-200, Rule F-4, Table 7-1).

c. Grade Point Avg. (GPA):

The institution will check each Soldier's cumulative GPA prior to applying the Waiver to the Soldier's account. If the cumulative GPA is not a 2.0 or higher the Waiver will not be awarded for that semester.

4. Eligible Institutions:
